Parish Hall Use

It is great to see both our halls being used by covid-safe groups again. We hope it won't be too long before our halls can re-open for parish activities and general hire. This will be reviewed at the end of June in line with the government roadmap and local conditions. Below is an outline of the current and pending timetable of regular hall use at both Churches. We will publish the timetable in both halls once we re-open for general use.

PENTECOST SUNDAY

The feast of Pentecost is so appropriate, for a period in which all the apostles began to emerge from closed rooms.

**Come, Holy Spirit,
fill the hearts of your faithful
and enkindle in them the fire of your love.
Send forth your Spirit
and they shall be created.
And you shall renew the face of the earth.**

Parish Covid Review

For now we continue as we are. We will review the next stage at the end of June alongside Government guidance and within our local context.

Happy adventures to Year 6 children and staff who are enjoying the great outdoors this weekend on their residential with PGL. They arrived safely on Friday and we know they will be having the time of their life!
