Fathers' Day

We give thanks for all the fathers in our lives. May they always be in our hearts and minds, guiding us positively and purposefully. Congratulations to all Dads in the Parish, and in our liberated society may they enjoy washing up after their celebrations!

Many thanks for all donations so far! The Knights met last Monday to discuss events, including a Dance Night in August and a Race Night in October. Watch out for dates and details! Also why not come along to the next KSC meeting to see how you can contribute to the community – all Catholic men are welcome to attend.

Feast of the Sacred Heart Friday 24th June

The contribution of the Catholic Church in Darwen has been profound. From the many different forms of social activity to the expressions of dignity at times of crisis, this year including the Ukraine Appeal.

We give thanks for our community. We remember those who have gone before us and pray for those who will come after us. May the love of God be witnessed in the Parish of the Sacred Heart Darwen.

Our Lord Jesus Christ is present most significantly in food. So today we pray for those deprived of dignity by hunger.

Congratulations St Joseph's School

We are so proud of the children who received First Holy Communion last Sunday at St Joseph's. Thank you to all the staff for helping to prepare them, and to the families and parishioners who have supported them throughout their journey.

Day for Life Sunday 19th June - Care for Elderly

"The little ones learn the power of tenderness and respect for frailty: irreplaceable lessons that are easier to impart and receive with grandparents. For their part, grandparents learn that tenderness and frailty are not solely signs of decline: for young people, they are conditions that humanise the future."
